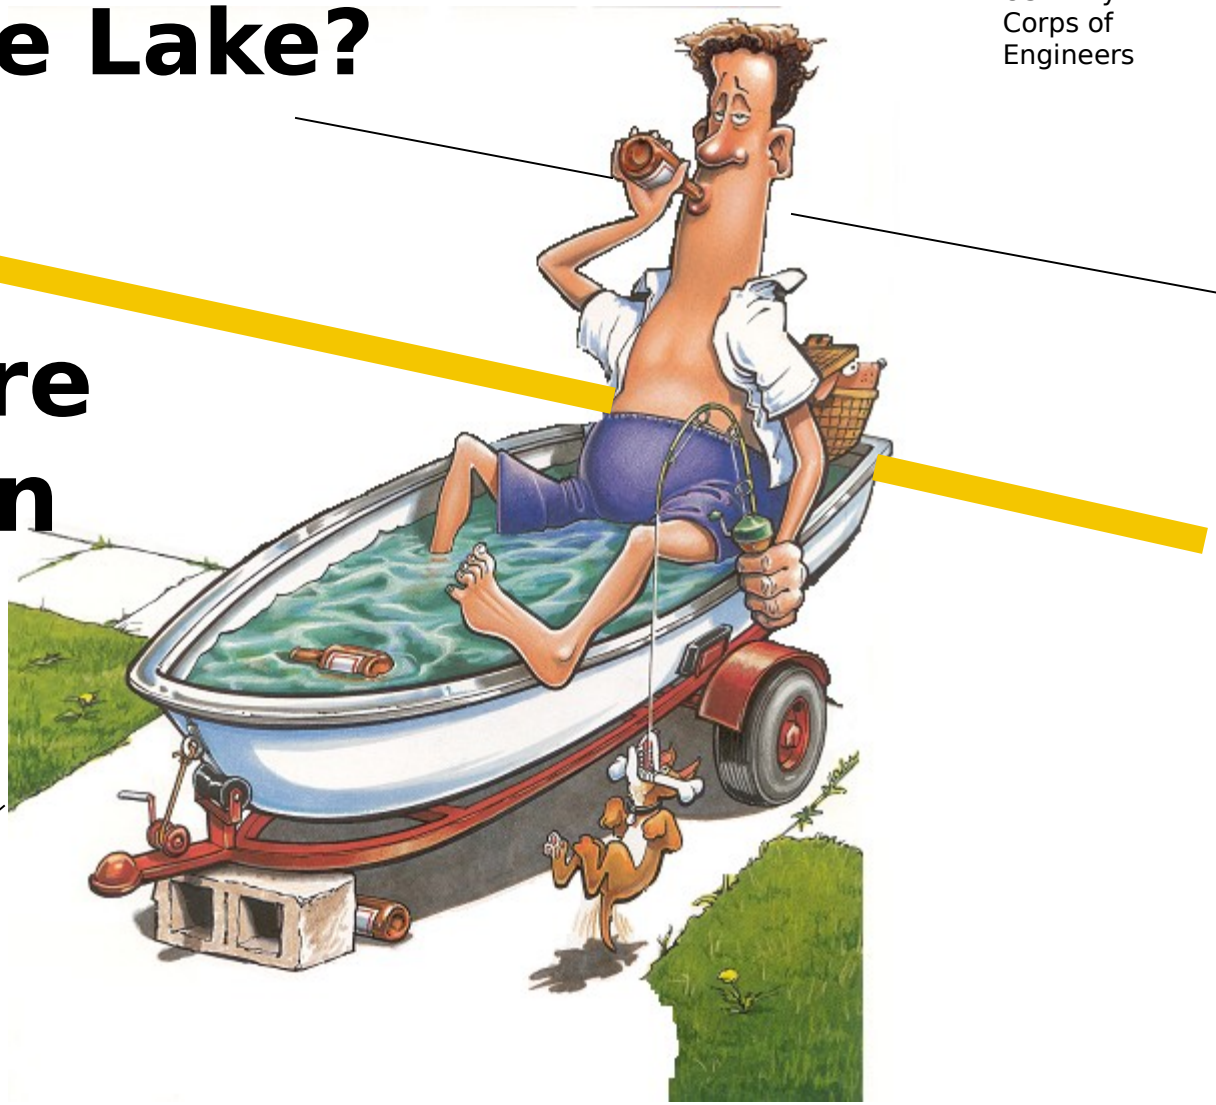
US Army Corps of Engineers

Going to the Lake?

Well then, HAVE FUN!

But if you're planning on Drinking Alcohol…



STAY HOME!

A Summertime Safety Message from the U.S. Army Corps of Engineers at Hartwell Lake

Boating...

No Speed Limits…

No Traffic Signals…

No Potholes…

It’s even more fun than driving, right?

But if you think that makes operating a boat under the influence of alcohol safer than drinking and driving, you could be wrong... Dead Wrong.

Water Safety Quiz

Answer:

It takes only <u>20 seconds</u> for a child to drown and only <u>60 seconds</u> for an adult to drown.

A Summertime Safety Message from the U.S. Army Corps of Engineers at Hartwell Lake

Over 90% of drownings would not have occurred if people were wearing their life jackets. More than half the people that drown had consumed alcohol.
